## Tool Beam puller and accessories

# Beam puller with turn-adapter 55850.0000

Fix, tighten, done!

Span mm	570 - 720
Boreholes Ø 8 mm	16
Max. load capacity	20 kN

Commodities note Both beam pullers are delivered with our high quality transport box.

## Assembly instructions 55850.0000

### Convenient work

Lay the turn-adapter on the object and screw. Differently arranged boreholes allow a smoothly fastening on timber or masonry. The mounted to the adapter butt strap serves for the fastening in grooves or to edges.

Therefore Pitzl beam puller provides a perfect stability for the processing of solid wood elements, alveolar elements and wood soft fiber elements.

## Accessories

Item no.	Description
55850.1000	Hook for beam puller
55850.2000	Bracing strip tensioner for beam pullers
55850.2100	Adapter ring for bracing strip tensioner
